

FREEDOM CAMPAIGN KIT

1. Poster.

2. Leaflets.

Four Boxes in Defence of Liberty: (1) Soap; (2) Ballot; (3) Jury; and (4) Ammo - to be used in that order (Ed Howderschelt).

On the basis that box #2 is ineffective and box#4 is unacceptable, the only genuine path to securing freedom and justice is box #3 by using box #1 to make it happen.

By photocopying the poster and leaflets, freedom-lovers can inform many others and even take to the courts themselves because, only in our courts can we right wrongs, govern and secure all that we hold dear.

If you don't have the equipment at home, then Officeworks does. The poster , "Take Back Our Courts", can be printed to, say, A3 size and laminated to make it weatherproof. While the double-sided A5 leaflet of "Notice to the Court" and "To the Police and Sheriffs" can be produced by using the to feed into their copying machine (the staff will help) and making as many as you wish and having them guillotined at the counter.

ACKNOWLEDGEMENT OF COMMONWEALTH:

This land is our land. We the People, who call Australia home, are a sovereign, independent and self-governing nation from Broome to Brisbane and from Darwin to Tasmania. This is our country and our culture of equality and friendship. We will not be slaves again.

Awaken your best. So help me God.
